CAPABILITY

STATEMENT · 2026

A SAM.gov-registered small business delivering secure, accessible, mobile-first websites and the government-ready technology behind them: managed hosting, cybersecurity, HIPAA risk analysis, and CMMC readiness guidance for agencies, prime contractors, healthcare providers, and nonprofits.

CORE COMPETENCIES

- **Web design & development:** custom, responsive, search-optimized websites; content and copywriting; e-commerce (Shopify, WooCommerce).
- **Managed hosting & maintenance:** AWS and Rackspace hosting, SSL, backups, patching, uptime monitoring, and monthly content updates.
- **Cybersecurity:** security assessments, website hardening, firewall and DDoS protection, malware scanning, and remediation plans.
- **Compliance readiness:** HIPAA Security Rule risk analysis and policies; NIST SP 800-171 / CMMC Level 1 and 2 readiness guidance.
- **Accessibility:** standards-based builds designed for WCAG 2.2 AA.
- **Government readiness:** capability statements, contract-ready websites, and SAM.gov guidance.

DIFFERENTIATORS

- Launch-ready sites in about one week; fixed, published pricing.
- Security-first delivery: HTTPS, firewall, and malware protection on every hosted site.
- Experience serving regulated industries, including in-home care and non-emergency medical transportation.
- Single point of contact from design through hosting, security, and support.
